

Concacaf  
**CHAMPIONS  
CUP**

*PRE-MATCH REPORT*

**Toluca - LAFC**

## 1. Opta Facts

- *Despite missing the first leg due to suspension, LAFC's Denis Bouanga remains the player with the most touches in the opposition box in the current Concacaf Champions Cup (49). The forward is looking for his second goal in the semi-finals of the competition, having scored against Philadelphia in 2023.*
- *This will be the second time Toluca have closed out a Concacaf Champions Cup semi-final tie at home under the current format. The previous occasion was in 2014 against Alajuelense, when they won 2-0 in that match to secure their place in the final.*
- *Toluca have won their last two Concacaf Champions Cup home matches (4-0 vs San Diego FC, 4-2 vs. LA Galaxy), both in this edition. Prior to this run, they had played four games against American opponents since 2008, securing only one win (W1 D2 L1).*
- *Son Heung-Min (LAFC) has registered seven assists in the first leg against Toluca, the most by a player in a single Concacaf Champions Cup tournament since 2016. This surpasses Oussama Idrissi's six assists for Pachuca in 2024, the year they were crowned champions.*
- *LAFC would extend their unbeaten run against Mexican teams to four matches in the Concacaf Champions Cup, should they avoid defeat against Toluca in this semi-final second leg. Only three other MLS teams have achieved a similar streak in the competition: Columbus Crew in 2024 (W2 D2), Sounders between 2022 and 2025 (W3 D2), and Whitecaps in 2025 (D4).*
- *LAFC are looking to qualify for their third Concacaf Champions Cup final since their tournament debut in 2020. In that same period, the Black and Gold are the only American team to have made repeat appearances in decisive matches (2020 and 2023).*
- *Toluca have had more possession than their opponents in six of their last seven Concacaf Champions Cup matches. Against LAFC in the first leg, they registered 64% possession, while in this run, which began in 2024, they are averaging 62% in this regard.*
- *LAFC secured a win in the first leg against Toluca despite attempting just eight attempts. This, along with their 3-0 first-leg win against Cruz Azul in the quarter-finals, is the fewest attempts LAFC have taken in a Concacaf Champions Cup match where they have won.*
- *Helinho led Toluca in successful take-ons in the first leg of their Concacaf Champions Cup semi-final against LAFC, with five. The forward has also completed the most take-ons for Antonio Mohamed's side in the current Concacaf Champions Cup, with 17.*
- *Jesús Angulo and Paulinho have been involved in nine of Toluca's 14 goals in this Concacaf Champions Cup. Angulo has three goals and one assist in the current tournament, while Paulinho has six goals and one assist.*
