GAME NOTES

Antigua

0 - 2

Real Estelí

Referee
Ismael Cornejo

Real Estelí's Juan Barrera opened the scoring, netting his fifth goal in the Concacaf Central American Cup. He is the only player to have scored in all four editions of the competition: two in 2023, one in 2024, one in 2025 and one in 2026.

Antigua GFC had 30 shots against Real Estelí today but failed to score a goal. This is the second time in the last two editions of the Concacaf Central American Cup that the Guatemalan side has had 20 or more shots in a match and failed to win, also doing so against Plaza Amador last year (24 shots).

Real Estelí's Byron Bonilla has provided his sixth assist in the Concacaf Central American Cup, making him the joint second-highest assist provider in the competition alongside Jorge Serrano, with only Jesús López (8) having more.

Antigua GFC outshot (30-9), dominated possession (71%-29%) and had a higher Expected Goals (1.8-1.1xG) than Real Estelí, however, the Nicaraguan side scored two goals to win the Concacaf Central American Cup match.

Real Estelí have recorded three consecutive wins with a clean sheet in the Concacaf Central American Cup; this is the first time they have achieved three victories without conceding a goal since their first three matches in the competition in 2023.
