CSD Municipal

Referee

- CSD Municipal are unbeaten in their last seven Concacaf Central American Cup matches (W2 D5). In six of those games, they conceded the opening goal but went on to come back and either draw or win.
- CD FAS have recorded at least as many expected goals from set pieces as from open play in two of their three matches in the 2026 Concacaf Central American Cup (also against Motagua). Tonight against CSD Municipal, they accumulated nearly 60% of their xG from set pieces (0.87 xG of 1.48 xG).
- Juan Vega has provided an assist in two of CD FAS's three matches. Only three other players have provided an assist in more than one game in the 2026 Concacaf Central American Cup: Alianza FC (PAN)'s Reyniel Perdomo, FC Motagua's Jorge Serrano and Plaza Amador's Éric Davis.
- CSD Municipal's Erik López led the match against CD FAS in shots (4, level with César Díaz), successful take-ons (5), duels contested (17) and ball recoveries in the final third (2).
- In addition to scoring his first career goal in the Concacaf Central American Cup, CD FAS's Jorge Cruz won 12 of his 15 duels against CSD Municipal today. Only three players have bettered this tally in a single match in this year's tournament: CD Marathón's Yairo Moreno (14 vs Antigua GFC), Plaza Amador's Jimar Sánchez (13 vs L.A. Firpo) and Alianza FC (PAN)'s John Asprilla (13 vs UMECIT FC).

ATTACKING SEQUENCES INVOLVEMENTS

- Shot
- Chance Created
- Build Up to Shot

Sequences are a football metric that quantifies the plays within a team's ball possession.

It begins when a player performs a controlled action with the ball, such as a pass or dribble, and ends at the end of that play, either with a defensive action by the opposing team, a break in play, or a shot.

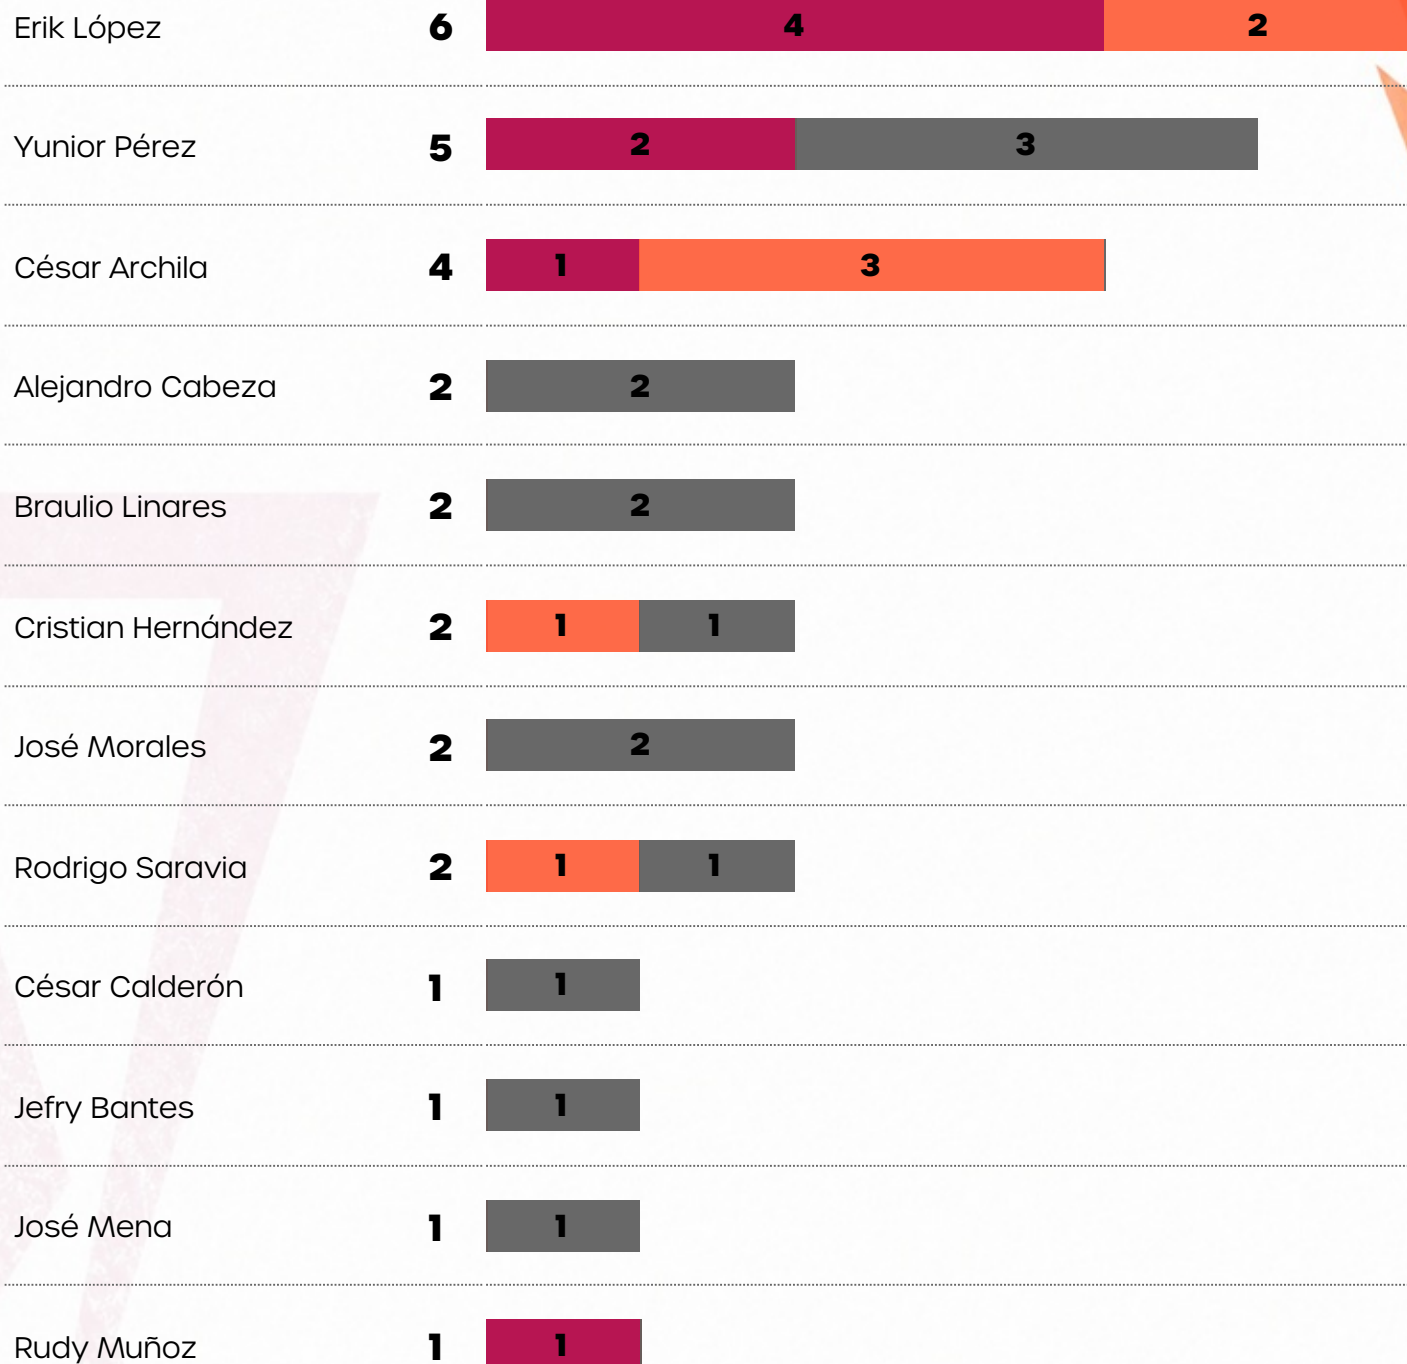

During a sequence, the participation of each player who performs an action with the ball, whether it is a pass, a dribble or a shot, is recorded. If the sequence culminates in a shot, the player is credited with participating in a shot ending sequence.

This participation may be the shot itself, the pass that led to the shot (chance created) or a previous touch in the build up ..
