GAME NOTES

Real Estelí

3 - 1

Alianza FC (SLV)

Referee
Guido Gonzales Jr.

- *Real Estelí are unbeaten in their last eight home matches in the Concacaf Central American Cup (W6 D2), conceding no more than one goal in any of those games.*
- *Alianza FC's (SLV) Gustavo Sousa is only the second player to score a goal in the Concacaf Central American Cup after coming on as a substitute, alongside William Osorio against Antigua GFC. In the 2025 edition, none of their substitutes managed to score.*
- *Real Estelí's Jonh Faust made five saves in this match, the joint-most by a Real Estelí goalkeeper in the Concacaf Central American Cup across the last two editions, level with Faust himself against Antigua GFC earlier this year (five).*
- *Real Estelí's Héctor Aranda, who scored one of the goals for the Tren del Norte tonight, has been involved in three goals for his team in the Concacaf Central American Cup across the last two editions (two goals, one assist). Only Byron Bonilla (four) has more goal involvements for Real Estelí in the competition during this period.*
- *Joab Gutiérrez's goal at 88:49 was Real Estelí's latest goal in the Concacaf Central American Cup across the last two editions, surpassing Edgar Castillo's goal at 86:59 against Antigua GFC earlier this year.*

Build Up to Shot

Sequences are a football metric that quantifies the plays within a team's ball possession.

It begins when a player performs a controlled action with the ball, such as a pass or dribble, and ends at the end of that play, either with a defensive action by the opposing team, a break in play, or a shot.

During a sequence, the participation of each player who performs an action with the ball, whether it is a pass, a dribble or a shot, is recorded. If the sequence culminates in a shot, the player is credited with participating in a shot ending sequence.

This participation may be the shot itself, the pass that led to the shot (chance created) or a previous touch in the build ..
