7. WITHDRAWAL, UNPLAYED MATCHES AND ABANDONED MATCHES

7.1. After the TPA is signed, all PMAs shall be deemed to have officially entered the Competition and shall meet all obligations, including, but not limited to, playing all of their matches until eliminated from the Competition. Failure to participate in any match may be considered by Concacaf, at its sole discretion, as a withdrawal from the Competition. A withdrawal may have a serious impact on the integrity of the Competition, and as such, the penalties as specified below shall apply, except in cases of force majeure or unforeseen circumstances deemed acceptable by Concacaf in its sole discretion.

7.2. Any PMA that withdraws up to thirty (30) days prior to the first match of the Competition shall be subject to a fine of at least fifteen thousand US dollars (USD 15,000). Any PMA that withdraws within thirty (30) days before the first match of the Competition shall be subject to a fine of at least twenty thousand US dollars (USD 20,000).

7.3. Depending on the circumstances of the withdrawal, the Disciplinary Committee may impose sanctions in addition to those provided for in section 7.2 above, including the expulsion the applicable PMA from subsequent Concacaf competitions.

7.4. Any match which is not played, or which is abandoned – except in cases of force majeure – may lead to the imposition of sanctions against the applicable PMA by the Disciplinary Committee in accordance with the Disciplinary Code. In such cases, the Disciplinary Committee may also order that the match be re-scheduled/re-started.

7.5. Any PMA that withdraws or is responsible for a match not being played or being abandoned may be ordered to reimburse Concacaf, the opposing PMA, and/or any other PMA involved, and/or any expenses incurred as a result of its behavior. 7.7. If a PMA does not report for a match, except in cases of force majeure, or refuses to continue to play, or leaves the pitch before the end of the match, such PMA shall be considered to have lost the match 3-0 and three (3) points shall be awarded to its opponent. In the case of an abandoned match, the winning team had already reached a higher score at the time the team in question left the field, then the higher score shall remain. The Disciplinary Committee will decide if a PMA that has withdrawn will be excluded from further participation in the Competition and the results of those matches shall be considered losses by a result of 3-0 and three (3) points shall be awarded to those opponents. The results of any matches played before by the PMA in question shall not be affected.

7.10.7. The match shall restart at the place where play was stopped when the match was abandoned (i.e., with a free kick, throw-in, goal kick, corner kick, penalty kick, etc.). If the match was abandoned while the ball was still in play, it shall restart with a dropped ball in accordance with the Laws of the Game;

7.10.8. The kick-off time, date (which shall be scheduled for the following day or otherwise as soon as possible), and location shall be decided by Concacaf in its sole discretion;

13.1. In accordance with the "Concacaf Regulations Governing International Matches", any PMA wishing to play an international match outside the scope of the Competition must submit a request for permission to Concacaf in advance. Such request shall meet the requirements established in the aforementioned Regulations. Unless expressly authorized in writing by Concacaf, the PMAs in the Competition shall not play international and/or official matches in the venues and/or markets of where the Competition will take place, for a period commencing sixty (60) days prior to the first match of the Competition. The same market as the Competition is defined as a 100-miles radius from any Competition venue. In cases where such special permission is granted, all financial conditions and provisions (as per FIFA and Concacaf) with respect to international matches shall apply.

13.3. Once the groups for the Competition have been announced, teams in the same group may not play a friendly match in any of the venues of the Competition.

13.4. In all cases, each PMA shall be responsible for all consequences which may result from failure to observe the regulations mentioned above.

14. VENUES, KICK-OFF TIMES AND TRAINING SESSIONS

14.1. Unless stipulated otherwise in these Regulations, matches in the Competition must be played in a stadium which meets all the requirements and standards as stated in these Regulations and the latest version of the Concacaf stadium guidelines (hereinafter: the "Stadium Guidelines"), and these stadiums shall have been inspected and approved by Concacaf.

The use of drones and/or recording devices to scout and/or observe other teams' training sessions shall lead to disciplinary sanctions.

14.5.1. It is the sole responsibility of each PMA to request and obtain all necessary governmental authorizations and permits for the operation of drones during the Competition. Failure to secure such authorization shall not exempt such PMA from liability for any unauthorized drone use or related infractions under these Regulations.

Additionally, the uniformity gradient of light on the pitch should be of 1.4:1. An emergency power generator must also be available which, in the event of a power failure, guarantees at least two-thirds of the aforementioned intensity of light for the whole pitch and has sufficient light for the safe egress of those in attendance. In principle, the teams participating in the first match shall be entitled to warm up on the pitch prior to the match for thirty (30) minutes. The duration of the warmup on the pitch prior to the match for the teams of the second match of the day shall depend on the time the first match of the day ends. Alternative warmup areas shall be provided for the second match teams to start their warmup before entering the pitch. If the pitch is not in good condition or the warm-up would negatively affect the state of the pitch for the match, Concacaf may limit the area on the pitch for the warm-up or shorten or cancel the warm-up session.

14.10. For the Competition, each team shall be provided with a training site for their use in each venue according to the match schedule. In this case, the maximum number of players will be determined by the Match Manager and the Match Officials and communicated in the "Match Coordination Meeting".

16.8. Clocks in the stadium showing the length of time played may run during the match, provided that they are stopped at the end of normal playing time in
