GAME NOTES

Portmore United

1 - 2

Salcedo

Referee

- Salcedo's Jamesley Daniel became the second Haitian player to both score and assist in a single Concacaf Caribbean Cup match since last season. Herard Frantzety (Universidad O&M) also achieved this against Mount Pleasant last year (one goal, one assist).
- Eight of Portmore United's eleven shots came in the second half, where they conceded just two shots to Salcedo. Javier Brown scored Portmore United's goal with his only shot, which also had the highest expected goals (0.25 xG) generated by his team.
- Portmore United's Javier Brown's goal at 49:58 was the second-earliest second-half goal in the last two editions of the Concacaf Caribbean Cup. The earliest was scored by Defence Force's Cassim Keller against Cibao at 45:58.
- Salcedo ended a five-game winless run for teams from the Dominican Republic against Jamaican opponents in the Concacaf Caribbean Cup (D2 L3). The last victory for a Dominican team against a Jamaican side in the competition was Cibao's 2-0 win against Cavalier in the previous edition.
- Portmore United's Javier Brown scored after coming on from the bench at half-time. Five of the 10 goals scored by substitutes in the last two Concacaf Caribbean Cup seasons have been netted by Jamaican players for Jamaican teams.

ATTACKING SEQUENCES INVOLVEMENTS

■ Shot
■ Chance Created
■ Build Up to Shot

Sequences are a football metric that quantifies the plays within a team's ball possession.

It begins when a player performs a controlled action with the ball, such as a pass or dribble, and ends at the end of that play, either with a defensive action by the opposing team, a break in play, or a shot.

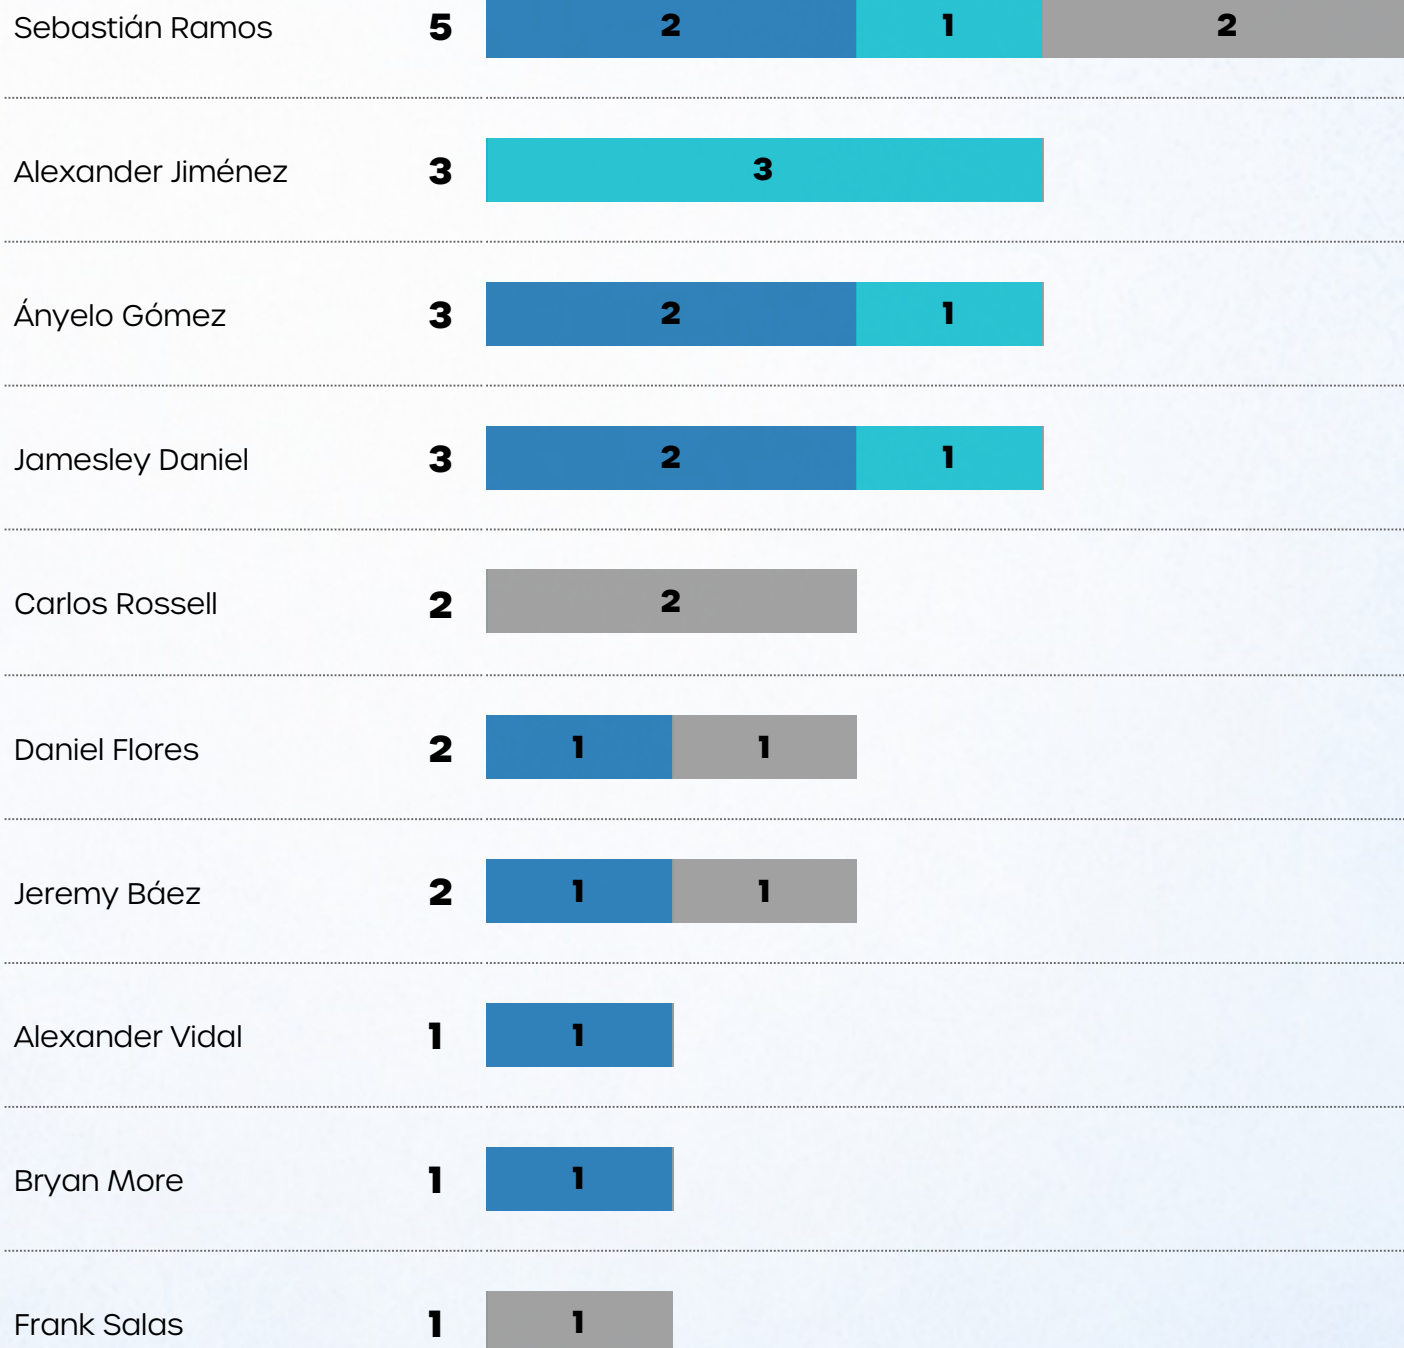

During a sequence, the participation of each player who performs an action with the ball, whether it is a pass, a dribble or a shot, is recorded. If the sequence culminates in a shot, the player is credited with participating in a shot ending sequence.

This participation may be the shot itself, the pass that led to the shot (chance created) or a previous touch in the build up ..
